Work Plan

FOR OFFICE USE ONLY:	Version # _____	APP # _____

7. Workplan

Objectives—List the objectives necessary to successfully achieve the program goal(s). If there is more than one program goal, group the related objectives and activities under the appropriate goal. Objectives should respond to the identified need and be SMART (specific, measurable, appropriate, realistic and time-based).

Activities—for each objective, include the major activities necessary to accomplish the objective. The activities should clearly describe what actions or steps will be taken to accomplish each objective (i.e. the “to-do” list). Activities should be grouped under the objective to which they pertain.

SAMPLE

Budget

	Line Item	Qty	Rate	Units	UOM	Total
Amount	1.	**Salary & Wages**				

Instructions : Select all the position titles or job descriptions required to staff the program. Enter the quantity and rate as average cost per FTE. Positions may also be entered with hourly rate information. Select the UOM (Unit of Measure) using the look-up icon as 'FTE'.

Using Notes enter information to clarify the position description or the calculation of the positions salary and wages or fringe benefits as needed (i.e., if the employee is limited term and/or does not receive fringe benefits).

This category includes compensation paid to permanent and part-time employees on the payroll of the Grantee who work in the program. Is reasonable for the services rendered and conforms to the established written policy of the Grantee consistently applied to both Federal and non-Federal activities.

This category may include the cost of leave/paid time off (e.g., vacation, sick, holiday, bereavement, military) or it may be included as a fringe benefit, based on the Grantee's written policy. See Section 2. It cannot be included in both categories and must be consistently budgeted and expensed for all Federally and non-Federally funded programs and activities of the Grantee.

This category does not include personnel hired on a private contract basis or through a personnel service, contractual services, or professional fees. Consulting services, professional fees or personnel hired on a private contracting basis should be included in Contractual – Professional Services.

2. **Fringe Benefits**

Instructions : Enter composite rate for fringe benefit or select the applicable fringe benefits using the look-up icon for employees assigned to this program.

Enter Composite Rate for fringe benefit or select the applicable fringe benefits using the look-up icon for employees assigned to this program. If selecting 'All Composite Rate' is includes the following fringe benefits; FICA, Unemployment Ins., Retirement, Health Ins., Life Ins., Visions Ins., Dental Ins., and Work Comp. If selecting 'Composite Rate', enter the specific fringe benefits, when using composite rate.

Fringe benefits include, but are not limited to, the costs of leave/paid time off (e.g., vacation, sick, holiday, bereavement, military), employee insurance (e.g., employer paid portion of health, dental, vision, life), pensions, employer contribution to a retirement account, bonuses, health stipends in lieu of health insurance, unemployment, workers compensation, social security.

The cost of leave/paid time off, and other taxable income (e.g., bonuses, health stipends in lieu of health insurance) may be included in salaries/wages, , . See Item 1 above. It cannot be included in both categories and must be consistently budgeted and expensed for all Federally and non-Federally funded programs and activities of the Grantee.

The cost of fringe benefits is allowable provided they are reasonable and are required by law, or a Grantee-employee agreement or established in the Grantee’s written policy.

Fringe benefit costs must be equitably allocated to all activities (Federal award activity and non-Federal award activity).

See Title 2 CFR 200.431 for fringe benefit regulations.

5.	**Subawards – Subrecipient Services**					
	Instructions : Enter costs of subawards (including subrecipient agreements). Statements of work are required for agreements above $50,000 and must be attached. This category includes the cost of an agreement (subaward) between the Grantee and another organization for the purpose of carrying out a portion of the Grant program. A subaward is a subrecipient relationship Title 2 CFR 200.331states that a pass-through entity (in this case the Grantee) must make case by case determinations whether an agreement it makes for the disbursement of Federal funds casts the party receiving the funds in the role of a subrecipient or contractor. In determining whether an agreement casts the role of party receiving the Federal funds from the Grantee as a subrecipient or contractor, the substance of the relationship is more important than the form of the agreement. All characteristics listed below may not be present in all cases and the Grantee must use judgement when determining if the					

SAMPLE

agreement is a subaward or a procurement contract.

Subrecipient Characteristics

A subaward is for the purpose of carrying out a portion of a Federal award and creates a Federal assistance relationship with the subrecipient. Characteristics of a subrecipient include:

(1) In accordance with its agreement, uses the Federal awards to carry out a public purpose specified in authorizing statute, as opposed to providing goods and services for the benefit of the pass-through entity.

(2) Is responsible for adherence to applicable Federal program requirements specified in the Federal award.

(3) Has responsibility for programmatic decision making.

(4) Determines who is eligible to receive what Federal assistance.

(5) Has its performance measured in relation to whether objectives of the Federal program are met.

1. Subrecipient Agency [ ]					
2. Other [ ]					

6. **Contractual - Professional Services**

Instructions : Enter contracts for professional and/or personnel services. Statements of work are required for contracts above $50,000 and must be attached.

This category includes the costs of professional and personnel services rendered by members of a particular profession or possess a certain skill set and are not employees of the Grantee.

This category includes the costs of services such as accounting, auditing, payroll, consulting, services, contract employees, etc.

Grantees generally hire contract employees in place of part-time or full-time staff because of the need for specialized skills or budgetary reasons.

SAMPLE

The Grantee is not responsible for taxes, social security, workers compensation, unemployment, health benefits, sick or vacation time for contract employees.

Travel expenses may be included when it is part of the contract terms between the Grantee and the contractor.

Training expenses may be included when it is part of the contract terms between the Grantee and the contractor.

10. **Capital Expenditures - Equipment & Other**

Instructions : Enter a description of the equipment being purchased, enter number of units and the unit value.

Title 2 CFR 200.1 defines capital assets as tangible or intangible assets used in operations having a useful life of more than one year which are capitalized in accordance with Generally Accepted Accounting Principles and includes:

• Land, buildings (facilities), equipment, and intellectual property (including software) whether acquired by purchase, construction, manufacture, exchange, or through a lease accounted for as financial purchase under GASB or a finance lease under FASB.

• Additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life.

Please refer to Title 2 CFR 200.439(b) for rules of allowability for equipment and other capital expenditures.

Title 2 CFR 200.436(d)(2) states that when computing depreciation the depreciation method used must reflect the pattern of consumption of asset during its useful life.

• In the absence of clear evidence indicating that the expected consumption will be significantly greater in the early portions of its useful life, the straight-line method must be

SAMPLE

presumed to be the appropriate method.

• Depreciation methods once used may not be changed unless approved by the cognizant agency.

• The depreciation methods used to calculate depreciation for indirect rate purposes must be the same methods used by the non-Federal entity for its financial statements.

Upon completing equipment purchase, equipment must be tagged and listed on the Equipment Inventory Schedule (see Attachment B.3) and submitted to the agreement's contract manager with the final Financial Status Report.

8. Other [ ]					

11. **Client Assistance - Rent**

Instructions : Enter client rental assistance. This category includes the cost of rental assistance provided for eligible clients in accordance with the program requirements.

The Grantee must account for rental assistance separate from all other client assistance.

Specific detail should be stated in the space provided if the category exceeds 10% of the Total Expenditures.

1. Client Rent					
2. Other [ ]					

12. **Client Assistance - All Other**

Instructions : Enter costs for client assistance, excluding rental assistance.

SAMPLE

This category includes the costs of providing assistance for eligible clients in accordance with program requirements. The guidance below is not meant to be comprehensive and some costs may not be allowable for a particular program. It is the Grantee's responsibility to budget and report expenses in accordance with the program requirements.

Examples include:

(1) Gift Cards/Prepaid Cards/E-Cards/Store Cards/Vouchers – The cost various types of purchase cards (e.g., gas, phone, food), vouchers (e.g., laundry vouchers for a local laundromat), and public transportation cards/tokens, etc. in accordance with program requirements.

(2) Transportation – The cost of taxis, Uber, Lyft, etc. for eligible clients when necessary for the health and safety for eligible clients in accordance with program requirements.

(3) Utilities – The costs associated with heat, electricity, water, etc. for eligible clients in accordance with program requirements.

(4) Personal Care – The costs associated with food, formula, clothing, diapers, toiletries, medication, medical equipment, etc. for eligible clients in accordance with program requirements.

(5) Safety – The cost of changing windows and doors or locks, cost of short-term alternative housing (e.g., hotel due to shelter capacity), security cameras, assistance for obtaining long-term housing for a victim (regardless of distance, based on safety needs) etc. for eligible clients in accordance with program requirements.

(6) Other – The cost of assistance not specifically identified above for eligible clients in accordance with program requirements.

Specific detail should be stated in the space provided if the category exceeds 10% of the Total Expenditures.

1. Emergency Financial Assistance					
2. Gift/Prepaid/Store Cards/Vouchers					
3. Personal Care					
4. Relocation					
5. Safety Costs

	6. Shelter Expenses					
	7. Transportation (taxi, rideshare)					
	8. Utility Assistance					
	9. Other [ ]					

13. **Other Expense**

Instructions : Enter cost of other expenses. This cost category includes expenses not previously identified on other line items purchased for the operation of the program.

If the Grantee will claim the DeMinimis Indirect rate, the Grantee's accounting records must clearly identify the following excluded expenses which are included as Other Expenses for budget and FSR purposes and excluded when determining Total Modified Direct Costs.

(1) Charges for Patient Care – Medical, social, and educational services to patients relating to prevention, diagnosis, and treatment. Includes medical fees, laboratory, pharmacy, and other health inpatient care, home care services, treatments, professional and consultation fees and related travel costs, transportation of patients including accompanying parents or guardians (or other escort), and for sundry related support such as meals and housing.

(2) Participant Support Costs – Direct costs for such items for stipends or subsistence allowances, travel allowances, and registration fees paid to or on behalf of participants or trainees (not employees) in connection with conferences or training projects.
2 CFR 200.201

(3) Tuition Remission – Refers to ways that a college or university pays tuition costs for students. Includes tuition waivers and tuition payments.

(4) Scholarships and Fellowships – A scholarship is generally an amount paid or allowed to a student at an educational institution for the purpose of study. A fellowship grant is generally an amount paid or allowed to an individual for the purpose of study or research.

Specific detail should be stated in the space provided if the category exceeds 10% of the Total Expenditures.
